The Board recommend the this -

(3) With reference to Resolution III I recommend that A Lakshmi - Devamma may be appointed Headmistress of the Anyabalika Pathasala, Bangalore on Rs 100, and B Ramanya (B A Language Branch) the present Headmaster sent to Chikballapur High School as an Additional Assistant Master on Rs 46 in Class D I B Ramanya present pay is Rs 45 I have recommended more than once the appointment of a History Graduate as an additional Assistant for the Chikballapur High School in Class C 4, but since Government have not been pleased to sanction the appointment, as the next best arrangement I propose to send B Ramanya to the Chikballapur High School as an additional assistant There is no provision for the pay of Lakshmi - Devamma which has to be specially sanctioned I believe it was understood that the Lady teachers who

Education, dated 9th January 1900

No 7879 80—Ed F 17 96, dated Bangalore 9th January 1900

Order thereon—The Government are pleased to direct that A Lakshmidevamma a Matriculate from the Maharani Girls School, be entertained in the Education Department on a salary of Rs 100 per month as recommended by the Inspector General as well as the School Committee her posting being left to the discretion of that Officer, as it is not clear from the letter read above whether she has obtained the requisite training and is competent to take charge of a school as Head Mistress at once Such appointments should always be made on probation on the report of the Lady Superintendent that the nominees have received the necessary training, and subject to confirmation after six months, if they are found to have discharged their duties satisfactorily

3 The Government agree with the Inspector General in the view expressed by him in regard to the arrears of scholarships for 1897 and 1898 claimed by Yedugiriamma and Sundaramma, as the amounts have lapsed owing to laches on the part of their guardians to draw them in due course and the absence of any provision in the current year s budget

5 The Government feel constrained to remark that the mixing up of more than one question in the same letter, as has been done in the present case, is very inconvenient, and although the School Committee may at one meeting deal with several matters and embody them all in a single Proceedings, the Inspector General will be requested to be so good as to make a separate reference to Government in future on each distinct subject
